

Rapid Bus coming to Mid-City!

Join us at an Open House to provide input on new Mid-City Rapid transit line for El Cajon Boulevard

Wednesday, June 25, at 2 to 5 p.m.

Patio of El Pollo Loco – 5415 El Cajon Blvd

The San Diego Association of Governments (SANDAG) wants to hear from business owners and residents about plans for a new rapid transit line along El Cajon Boulevard. The Mid-City Rapid will be a ten-mile long, high-speed, limited-stop bus service between Downtown San Diego and San Diego State University (SDSU).

Come hear about and provide input on

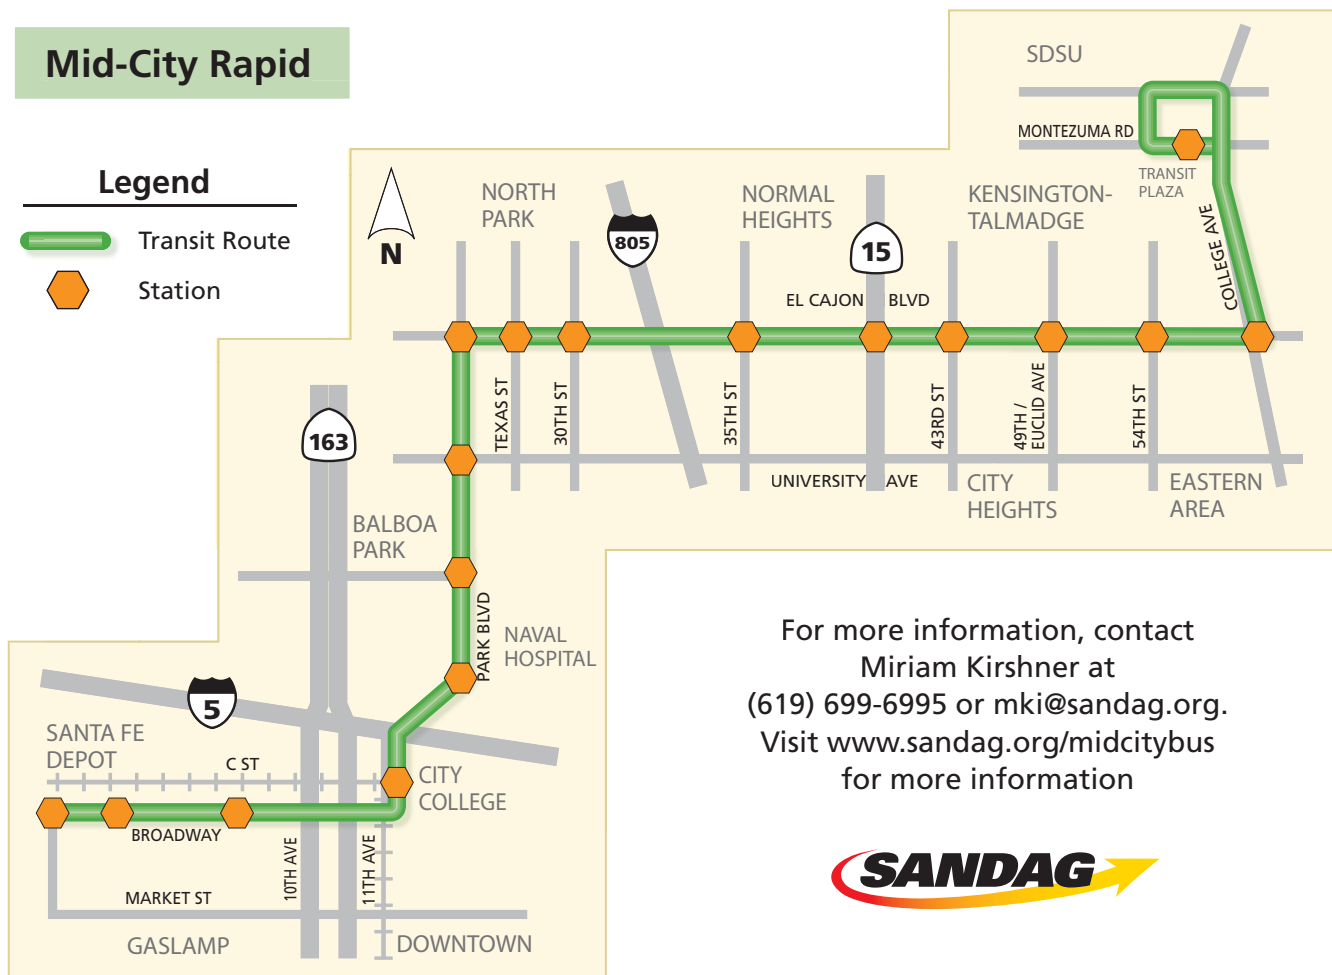

- New stations located at major activity centers and transfer points along the route, including Euclid, 54th Street, and College Avenue
- A high-quality transit service that will feature brand new, clean fuel buses specially designated for this corridor
- Station design options
- Improving pedestrian accessibility and safety
- Changes to parking and lane striping

SANDAG will prepare design plans for the stations starting in late 2008, and would appreciate input on the conceptual design. Stop by to look at the preliminary options, talk to planners, and provide your comments. SANDAG thanks Ricardo Alvarez-Malo from El Pollo Loco for hosting this Open House.
