

## Construction Advisory #23: I-15 Southbound Lanes Temporary Night Closures

Please be advised that for three consecutive nights beginning Monday, July 20, temporary nighttime lane closures will affect southbound I-15 traffic between SR 78 and Del Lago Boulevard from 9 p.m. – 5 a.m.

These closures are:

- ▶ Southbound lanes that access the Hale Avenue Direct Access Ramp (DAR)
- ▶ Express Lanes: All southbound Express Lanes between SR 78 and Del Lago Boulevard
- ▶ Main Lanes Partial Closure: Two of the five southbound I-15 main lanes between Citracado Parkway and Del Lago Boulevard

During this time, crews will install electronic signage which will provide messaging designed to enhance the flow of traffic.

Motorists are reminded to slow down, watch out for highway workers, and safely move over a lane when they see flashing amber lights on Caltrans or other emergency vehicles. These improvements are part of the award-winning I-15 Express Lanes Project, on which new *Rapid* services run, to provide more travel choices.
