

SR 15 Mid-City Centerline: Transit Stations

Two new *Rapid* stations opening in 2017 will improve transit service and operations along the Mid-City portion of State Route 15 (SR 15). These stations will be located at University Avenue and El Cajon Boulevard in a new freeway median. This project will also create dedicated transit lanes along SR 15 from just north of I-805 to just south of I-8.
