

» I-5/Genesee Avenue Interchange Project

APRIL 2015

Construction Advisory

Intermittent Overnight Closures Planned the Week of April 19 at I-5/Genesee Avenue Interchange

Beginning Sunday, April 19, and throughout the week, lanes on northbound Interstate 5 (I-5) at Genesee Avenue will be closed intermittently from 7 p.m. to 5 a.m. due to construction. During this same period, there will be lane closures on eastbound Genesee Avenue.

Construction schedules are subject to change due to weather conditions. Caltrans is currently assessing traffic at the interchange and evaluating possible improvements for motorists in the project area. Plans include striping, placing additional signage, and modifying signals to help improve traffic conditions at the interchange.

Construction crews will work to minimize impacts to nearby businesses, residents, and commuters. Motorists are advised to plan their travel and avoid the area, if possible. Access for emergency vehicles will be maintained. We appreciate your patience during construction.

About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overcrossing with a ten-lane structure that will include additional vehicle lanes, sidewalks, and bicycle lanes to better accommodate current and future traffic demands in the San Diego region. The project also will widen the on- and off-ramps to help improve traffic flow, add a northbound auxiliary lane on I-5 between Genesee Avenue and Roselle Street, and construct a new, separated bicycle/pedestrian path.

The I-5/Genesee Avenue Interchange Project is expected to be completed in 2017.
