

» I-5/Genesee Avenue Interchange Project

MAY
2015

Construction Advisory

Intermittent Overnight Closures Planned the Week of May 10 at I-5/Genesee Avenue Interchange

Beginning Sunday, May 10, and throughout the week, the Interstate 5 (I-5)/Genesee Avenue northbound off-ramp will be closed intermittently from 7 p.m. to 5 a.m. for construction. During this same period, work will continue on Genesee Avenue and on the northbound lanes of I-5.

Improvements are on the way for the Southbound I-5/Genesee Avenue Off-Ramp

Later this month, crews will restripe lanes, modify traffic signals, and add roadway signage to the southbound I-5/Genesee Avenue off-ramp. The modifications should help improve traffic conditions during the peak commute times.

Construction schedules are subject to change due to weather conditions. Crews will work to minimize impacts to nearby businesses, residents, and commuters. Motorists are advised to plan their travel and avoid the area, if possible. Access for emergency vehicles will be maintained. We appreciate your patience as we work to improve the interchange.

About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overcrossing with a ten-lane structure that will include additional vehicle lanes, sidewalks, and bicycle lanes to better accommodate current and future traffic demands in the San Diego region. The project also will widen the on- and off-ramps to help improve traffic flow, add a northbound auxiliary lane on I-5 between Genesee Avenue and Roselle Street, and construct a new, separated bicycle/pedestrian path.

The I-5/Genesee Avenue Interchange Project is expected to be completed in 2017.
