

I-5/Genesee Avenue Interchange Project

JULY 2015

Construction Advisory

Overnight Closures of Interstate 5 at Genesee Avenue Planned Next Week

Motorists Will Be Detoured

Closures

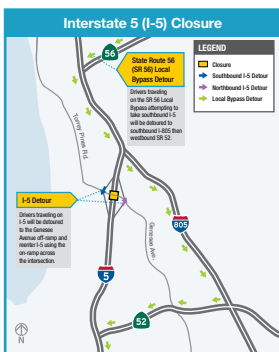

As construction on the Interstate 5 (I-5)/Genesee Avenue Interchange Project continues, motorists can expect overnight closures of all lanes on I-5 between Sorrento Valley Road and just south of Genesee Avenue. Lane closures will occur between 11 p.m. and 5 a.m., per the schedule below:

- Southbound I-5: Sunday – Tuesday, August 2 - 4
- Northbound I-5: Tuesday – Thursday, August 4 - 6 and Sunday, August 9

Northbound and southbound I-5 will not be closed concurrently. Please note construction schedules are subject to change.

These closures are required to install falsework, which are temporary wood forms used to support the foundation of the new I-5/Genesee Avenue Bridge. We appreciate your patience as we work to improve the interchange.

Detours

[Click on the map to enlarge](#)

During the southbound I-5 closure, motorists using the State Route (SR) 56 local bypass attempting to take southbound I-5 will be detoured to southbound Interstate 805 then westbound State Route 52. Motorists are advised to use southbound I-5 rather than the SR 56 local bypass to avoid an additional detour. Signs will be placed to alert motorists in advance.

Please view the graphic for details.

Additional Closures

Throughout August, construction will require intermittent overnight lane closures on I-5, Genesee Avenue, and the on- and off-ramps at the interchange. View a detailed list of planned closures and associated detours [here](#) or visit KeepSanDiegoMoving.com/Genesee.

Be Work Zone Alert!
