

South Bay

Rapid

Crews are now working along East Palomar Street between Santa Andrea Street and Santa Rita to accommodate construction of the new Heritage *Rapid* Station.

What to Expect During Construction:

- Temporary lane closures and detours along East Palomar Street
- Periodic restrictions to on-street parking in and around construction areas
- Tree and vegetation removal along East Palomar Street
- Periodic sidewalk and pathway closures
- Construction equipment and signage along East Palomar Street
- Reduced speed limits in construction zones

Rapid service in South Bay is expected to begin in 2018. All reasonable steps will be taken to minimize impacts to nearby businesses, residents, and travelers. New water efficient landscaping and storm water management features will be installed at the completion of construction. We appreciate your patience during construction.
