

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of May 15

Heritage Road to Olympic Parkway

- Periodic lane closures in both directions and reduced on-street parking along East Palomar Street between Olympic Parkway and Heritage Road for transit guideway construction
- Periodic noise and dust possible along East Palomar Street between Santa Andrea Street and Heritage Road as crews install utilities for the Heritage *Rapid* Station
- Periodic noise and sidewalk closure along the south side of East Palomar Street between Santa Delphina Avenue and Santa Flora Road for installation of a stormwater detention basin
 - Demolition activity is scheduled to occur on Monday, May 15, from 7 a.m. until 12 p.m., causing periodic noise and dust
- At least one lane will remain open in each direction at all times

Magdalena Avenue to State Route 125 (SR 125)

- Periodic construction noise and dust possible near Magdalena Avenue and East Palomar Street as crews continue installation of falsework
- Periodic lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road to accommodate construction of the transit guideway bridge

Town Center Drive to Birch Road

- Periodic noise and dust near the Otay Ranch Town Center as crews continue installation of utilities for this portion of the dedicated transit guideway
