Planned Construction Activities

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of July 17

Heritage Road to Olympic Parkway – City of Chula Vista

- Periodic noise, dust, lane closures, and reduced on-street parking in both directions along East Palomar Street between Santa Flora and Heritage roads for construction of the transit guideway
- Overnight work between 9 p.m. and 5 a.m. along East Palomar Street between Heritage Road and Olympic Parkway July 17-19 as crews perform striping improvements
    - Nearby residents can expect intermittent noise and lights during work hours

Magdalena Avenue to State Route 125 (SR 125) – City of Chula Vista

- Periodic noise and dust possible near Impressionist Drive as crews continue installation of retaining walls to support privacy walls
- Periodic lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road to accommodate construction of the transit guideway bridge

Town Center Drive to Birch Road – City of Chula Vista

- Overnight work and closure between 10 p.m. and 6 a.m. of the Otay Ranch Town Center entry/exit points at North Driveway Sunday, July 16, and Monday, July 17, and Kestrel Falls Road Tuesday, July 18, through Thursday, July 20, as crews continue storm drain improvements
    - Nearby residents can expect intermittent noise and lights during work hours

Nicola Tesla Court – City of San Diego

- Periodic noise, dust, and reduced on-street parking at Nicola Tesla Court near the Otay Mesa Port of Entry as excavation continues for construction of the Otay Mesa Transit Center
    - No on-street parking on south side of Nicola Tesla Court
    - Notifications are being distributed to nearby businesses and motorists to notify those impacted regarding the parking restrictions
