

## Construction Advisory #12 Southbound I-15 Night Closure: Nov. 24

Please be advised that on Sunday, Nov. 24, construction activity in the southbound main lanes of Interstate 15 (I-15) between Mira Mesa Boulevard and Carroll Canyon Road will require a nighttime closure of the southbound I-15 main lanes from 11 p.m. to 5 a.m. (weather permitting). This closure will allow crews to continue construction of the Mira Mesa Direct Access Ramp (DAR).

During the closure, the southbound Express Lanes will be open and free of charge to all motorists. Signs will be posted on the freeway in advance of the closure to direct drivers to the Express Lanes and to other detours (see map below).

Once completed, the Mira Mesa DAR along with the new Miramar College Transit Station, which is also under construction, will link to the I-15 Express Lanes via Hillery Drive. This will be the fifth DAR constructed along the I-15 Corridor and will support future Rapid Transit service beginning in summer of 2014. Construction of the DAR and transit station is scheduled to be complete next year.

### How to Stay Informed

Save yourself time and be prepared. Call or visit us online to learn about your travel options and plan your commute during construction.
