

Interstate 805

July 2013

Construction Advisory I-805 Closure: August 18

On Sunday, August 18, from 3 p.m. through 5 a.m. on Monday, August 19, Caltrans will close Interstate 805 (I-805) in both directions between State Route 54 and State Route 905. During this time, crews will demolish and remove the East Palomar Street Bridge over I-805 to make way for a Direct Access Ramp (DAR). The DAR will offer a convenient location from which carpools, vanpools and buses can access the carpool lanes currently under construction on I-805. The DAR is expected to be completed in Winter 2014. Caltrans, SANDAG, and public safety officials would like to urge all motorists to steer clear of the area or take alternative routes during the closure to avoid potentially significant congestion. For details including exact closure locations and alternative route maps, please call the I-805 South Project Construction Hotline at (888) 941-5005 or visit KeepSanDiegoMoving.com.

I-805 Freeway Closure

Detour 1 via I-5

From southbound I-805
