

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

FALL 2018

Upcoming Construction Activities for the Mid-Coast Trolley Project

Impacts to Bean Street

Through summer 2019, Mid-Coast Trolley crews will continue intermittent nighttime work on underground communication and electrical systems within the railroad right of way at Bean Street.

What to Expect

- Construction activities will include trenching, excavating, and installing signal foundations, electrical wire and devices.
- Work will be intermittent through summer 2019. General work hours are Sundays through Thursdays, 9 p.m. to 5 a.m. Some day and weekend work may also be required.
- Some street parking will be temporarily removed while work is underway.
- Residents and businesses may notice the presence of crews, work lights, demolition noise, and vehicle safety back-up alarms during construction.
- Crews will minimize impacts as much as possible.
- Please use caution when traveling near the work area.

**Construction schedules may change with very little notice.
Check KeepSanDiegoMoving.com/MidCoast for regular schedule updates.**

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University City community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and Westfield UTC. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in 2021.
