

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

DECEMBER 2018

MORENA BOULEVARD TRAFFIC SHIFT AND NOISE ALERT

From Tuesday, December 4, to Thursday, December 6, traffic controls will be in place on Morena Boulevard between W. Morena Boulevard and Littlefield Street while construction crews remove a temporary retaining wall support system for the Mid-Coast Trolley. To accommodate this work, a closure of southbound Morena Boulevard will be in place, and both directions of traffic will be shifted to northbound Morena Boulevard.

What to Expect:

- Work hours will be during the night, from 9 p.m. to 5 a.m.
- Construction activities will include removal of a temporary retaining wall support system with vibratory hammering. Please expect noise during this process. Construction crews will minimize impacts to the maximum extent possible.
- Traffic controls will be in place. Please use extra caution when traveling near the work area and be attentive to travel speed and road conditions.

Construction schedules are subject to change with very little notice.
Thank you for your patience!

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University City community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and Westfield UTC. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in 2021.
