

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

NOVEMBER 2019

## PERMANENT REALIGNMENT OF ROSE CANYON BIKE PATH

This November, the final section of the Rose Canyon Bike Path will be paved to complete the newly constructed permanent bike path. To accommodate this work, a temporary full closure of the bike path will begin on Tuesday, November 19.

### What to Expect

- The bike path full closure will begin at 6 a.m. on Tuesday, November 19, and will be in place for approximately four days. The bike path is anticipated to reopen by 6 p.m. on Friday, November 22.
- Mid-Coast Trolley crews will facilitate a “bus bridge,” which will include bicycle-carrying capable vans, to transport cyclists and pedestrians around the closure area. The bus bridge will be available from 5 a.m. to 8 p.m. each day, and signage will be in place to designate the pick-up locations.
- During the closure, crews will remove the temporary ramp currently in place between Gilman Drive and State Route 52 (SR 52).
- Please use caution when traveling near the area.

**Construction schedules may change with very little notice.**
