

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

*Please note, there will be no closures or construction activity on **Friday, January 1**, for the New Year's Day holiday.*

### Week of December 27

#### HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Sunday, December 27, through Wednesday, December 30, from 9 p.m. – 5 a.m. for roadway excavation, earthwork hauling and placement, embankment construction, median barrier formation, and maintenance.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Manchester Avenue** at **I-5** from Sunday, December 27, through Wednesday, December 30, from 9 p.m. – 5 a.m. for bridge foundation, bridge column, and falsework construction.
- Residents and motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue** at **I-5** from Monday, December 28, through Thursday, December 31, from 7 a.m. – 5 p.m. for bridge foundation, bridge column, and falsework construction.
- Residents and businesses should expect intermittent daytime construction noise along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, December 28, through Thursday, December 31, from 7 a.m. – 5 p.m. for roadway excavation, earthwork hauling and placement, embankment construction, roadway demolition, vegetation clearing and removal, and drainage, electrical, and irrigation installation.

#### LAGOON/BIKE/PEDESTRIAN

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, December 28, through Thursday, December 31, from 7 a.m. – 5 p.m. for transport and hauling of dirt, equipment, plants, and other materials to and from the San Elijo Lagoon.
