

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of June 21

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **I-5** between **Lomas Santa Fe Drive** and **Palomar Airport Road** from Sunday, June 21, through Thursday, June 25, from 7:30 p.m. – 5 a.m. for concrete barrier (k-rail) repositioning and lane striping to shift I-5 Carpool/HOV Lane construction operations from the median to outside shoulders, roadway excavation, earthwork hauling and placement, and maintenance.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive at I-5** from Sunday, June 21, through Thursday, June 25, from 7:30 p.m. – 5 a.m. for bridge foundation, road, and bike/pedestrian work.
- Residents and motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive at I-5** from Monday, June 22, through Saturday, June 27, from 7 a.m. – 5 p.m. for bridge foundation, road, and bike/pedestrian work.
- Residents and businesses should expect intermittent daytime construction noise along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, June 22, through Friday, June 26, from 7 a.m. – 5 p.m. for concrete barrier formation and paving within the median, planting in the median, earthwork hauling and placement, drainage installation, and vegetation clearing and removal in the outside freeway shoulders.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, June 22, through Saturday, June 27, from 7 a.m. – 5 p.m. for transport and hauling of dirt, equipment, plants, and other materials to and from the San Elijo Lagoon.
- Motorists may experience intermittent delays on eastbound **Manchester Avenue**, east of I-5 at the San Elijo Lagoon, from Monday, June 22, through Friday, June 26, from 7 a.m. – 5 p.m. for removal of a temporary soil work berm.
- To view current San Elijo Lagoon trail closures please visit thenaturecollective.org/trails. For information on the San Elijo Lagoon Restoration project, please visit thenaturecollective.org/project/san-elijo-lagoon-restoration.
