

» I-5/Genesee Avenue Interchange Project

JULY 2015

Construction Advisory

Closures and Detours Planned This Week

Detours in Place Midnight – 4 a.m. Thurs., July 23

Closure

Construction crews will close eastbound and westbound Genesee Avenue from Interstate 5 (I-5) to Scripps Memorial Hospital Drive from midnight to 4 a.m. Thursday. Crews will perform utility work on Genesee Avenue. Scripps Memorial Hospital Drive will remain open. **However, detours will be required for all Genesee Avenue traffic.** Emergency vehicle access will be maintained throughout the closure.

Detours

Motorists traveling westbound on Genesee Avenue will be detoured onto westbound La Jolla Village Drive. Motorists can then access I-5 from La Jolla Village Drive, or continue westbound on La Jolla Village Drive to reach westbound N. Torrey Pines Road/Genesee Avenue.

Click on the map to enlarge

Motorists traveling eastbound on Genesee Avenue across the I-5/Genesee Avenue overpass will be able to access the northbound I-5 on-ramp. Motorists seeking to travel east of the freeway on Genesee Avenue will detour to southbound I-5, to the eastbound La Jolla Village Drive off-ramp, and then to Genesee Avenue.

During this time, the northbound I-5 off-ramp to Genesee Avenue will be closed.

Additional Closures

There will be additional intermittent lane and ramp closures at the I-5/Genesee Avenue interchange throughout the week. View a detailed list of planned closures and associated detours [here](#) or visit KeepSanDiegoMoving.com/Genesee. Construction schedules are subject to change.

About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overcrossing with a ten-lane structure that will include additional vehicle lanes, sidewalks, and bicycle lanes to better accommodate current and future traffic demands in the San Diego region. Check out the [project webcam](#).

The I-5/Genesee Avenue Interchange Project is expected to be completed in 2017.
