AUG  
2015

## Construction Advisory

### Intermittent Weekend Closures Planned at I-5/Genesee Avenue Interchange

Beginning tonight, August 28, at 9 p.m. and continuing through 9 a.m. Saturday morning, there will be intermittent lane closures on Genesee Avenue and ramp closures at the I-5/Genesee Avenue interchange. Work will continue Sunday night from 9 p.m. to 5 a.m.

The following closures will occur intermittently:

- Lane closures on Genesee Avenue between Science Center Drive and the main entrance to Scripps Memorial Hospital
- Northbound off-ramp to Genesee Avenue
- Northbound off-ramp to Sorrento Valley Road
- Southbound on-ramp from Sorrento Valley Road

Crews will conduct pavement work in the Genesee Avenue median and the I-5/Genesee Avenue on- and off-ramps, as well as lane restriping on Genesee Avenue and the ramps to and from Sorrento Valley Road.

Construction schedules are subject to change. Motorists are advised to avoid the area if possible and slow down during construction. We appreciate your patience as we work to improve the interchange.

### About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overcrossing with a ten-lane structure that will include additional vehicle lanes, new bicycle lanes and sidewalks, and better accommodate current and future traffic demands in the San Diego region. Check out the [project webcam](#).

The I-5/Genesee Avenue Interchange Project is expected to be completed in 2017.
