MAY
2016

Construction Advisory

Overnight Closure of Genesee Avenue Closure

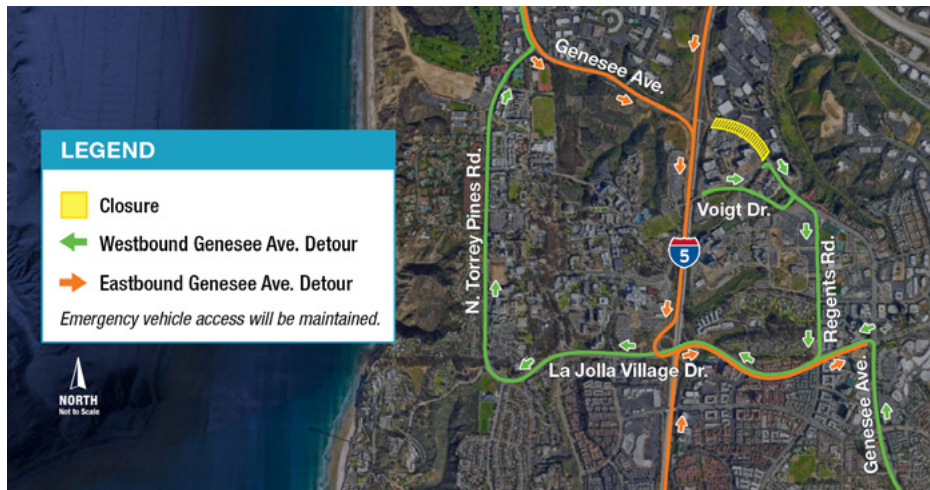

From 9 p.m. on Wednesday, May 11, to 5 a.m. on Thursday, May 12, eastbound and westbound Genesee Avenue will be closed from just east of the Interstate 5 (I-5)/Genesee Avenue Bridge to the Scripps Memorial Hospital main entrance.

The closure is required for crews to perform restriping work on Genesee Avenue near Scripps Memorial Hospital. Hospital access for emergency vehicles will be maintained. Motorists will be detoured around the closure.

Please note construction schedules are subject to change. Closures are weather permitting. We appreciate your patience as we work to improve the interchange.

Detour

Please see the map for detour details.

About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overcrossing with a ten-lane structure that will include additional vehicle lanes, new bicycle lanes and sidewalks, and better accommodate current and future traffic demands in the San Diego region. Check out the [project webcam](#).

The I-5/Genesee Avenue Interchange Project is expected to be completed in 2017.
