

» I-5/Genesee Avenue Interchange Project

JAN 2017

Construction Advisory

Overnight Reduced Lanes on Interstate 5 at Genesee Avenue January 9 and 10

Closures

Motorists should be advised that there will be intermittent reduced lanes overnight on Interstate 5 (I-5) at Genesee Avenue Monday and Tuesday, January 9 and 10 from 7 p.m. to 5 a.m. Additionally, the southbound off-ramp to Genesee Avenue and southbound on-ramp from Roselle Street will be closed. These closures will allow construction crews to pour concrete to fill the beams inside and at the bottom of the second half of the new I-5/Genesee Avenue Bridge and to install freeway signs on southbound I-5.

Please view our online list [here](#) for details on the direction and timeframe of the closures.

Delays are expected. Motorists and people on bikes are advised to plan their travel accordingly and avoid the area if possible. Access for emergency vehicles will be maintained. Pedestrian access on Genesee Avenue is closed during construction.

Access real-time traffic info through any of these resources: [511SD](#), [Caltrans QuickMap](#), [WAZE](#), [Google Maps](#), or [Shift San Diego](#).

Please note: construction schedules are weather permitting and subject to change. We appreciate your patience as we work to improve the interchange.

Additional Closures

View a detailed list of planned closures and associated detours [here](#) or visit: KeepSanDiegoMoving.com/Genesee. Please note construction schedules are subject to change.

About the Project

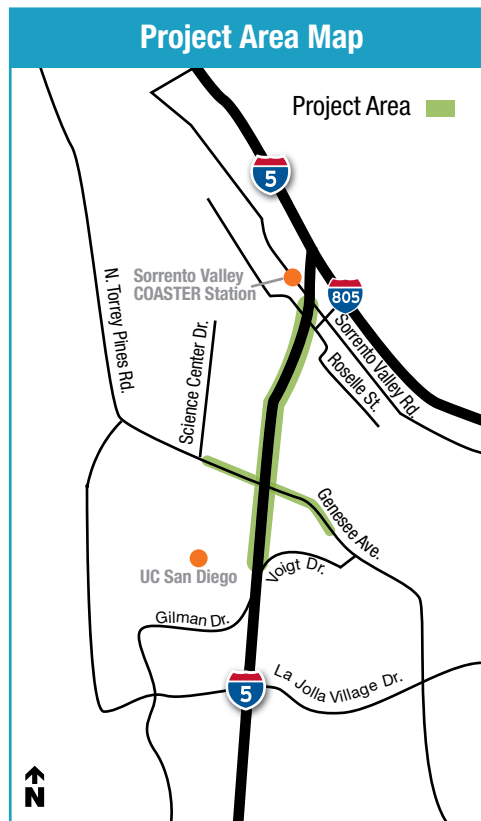

The \$105 million project will replace the existing six-lane Genesee Avenue overpass with a ten-lane structure that will include additional vehicle lanes, new bike lanes and sidewalks, and better accommodate current and future traffic demands in the San Diego region. The I-5/Genesee Avenue Interchange Project is expected to be completed in late 2017.
