

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of October 10

HIGHWAY/BIKE/PEDESTRIAN

- **Manchester Avenue Weekend Lane Closures** – Intermittent lane closures are expected on Manchester Avenue underneath the San Elijo Lagoon highway bridge in the city of Encinitas. Closures will **begin Friday, October 8, at 9 p.m. and end on Monday, October 11, at 5 a.m.** to allow Build NCC crews to make improvements along Manchester Avenue. If possible, take alternative routes to avoid the area. Flaggers will guide motorists, stay alert.

Westbound traffic should be prepared to detour using Birmingham Drive. Please see the detour route below:

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Sunday, October 10, through Thursday, October 14, from 9 p.m. – 5 a.m. for roadway excavation, roadway restriping, k-rail placement, earthwork hauling and placement, landscape and irrigation, concrete pouring, utility installation, and maintenance.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Manchester Avenue** at **I-5** from Sunday, October 10, through Thursday, October 14, from 9 p.m. – 5 a.m. for sewer line work and excavation.
- Residents and businesses should expect intermittent daytime construction noise along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, October 11, through Friday, October 15, from 7 a.m. – 5 p.m. for roadway excavation, roadway paving, earthwork hauling and placement, drainage and electrical infrastructure installation, and embankment construction.
- Residents and motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue** at **I-5** from Monday, October 11, through Friday, October 15, from 7 a.m. – 5 p.m. for roadway work, roadway excavation, pedestrian bridge foundation and bridge column work, manhole maintenance, and utility installation.

LAGOON

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, October 11, through Friday, October 15, from 7 a.m. – 5 p.m. for transport and hauling of soil, equipment, plants, and other materials to and from the San Elijo Lagoon.
