

Planned San Elijo Lagoon Highway Bridge

Planned San Elijo Lagoon Pedestrian Path

Planned San Elijo Lagoon Bike/Pedestrian Bridge Path

- Will accommodate the new carpool lanes along I-5 in each direction
- Lengthening the bridge will improve tidal flow and overall lagoon health
- Will include a new bike/pedestrian suspended bridge that will link the south and north sides of the lagoon
- Construction Timeline: Begin Early 2017  
Complete 2021
