

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of June 23

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Interstate 5 (I-5)** between **Lomas Santa Fe Drive** and **Palomar Airport Road** from Sunday, June 23, through Thursday, June 27 from 9 p.m. – 5 a.m. for material hauling from the highway median.
- Residents and motorists should expect intermittent nighttime construction noise and lights, lane closures, flagging operations, and reduced lane widths on **Manchester Avenue, Santa Fe Drive, and Encinitas Boulevard** at I-5 from Sunday, June 23, through Thursday, June 27, from 9 p.m. – 5 a.m. for bridge, road, and bike/pedestrian work.
- Motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive** at I-5 from Monday, June 24, through Friday, June 28, from 7 a.m. – 5 p.m. for bridge, road, and bike/pedestrian work.

RAIL

- Residents and businesses near **San Elijo Avenue, Coast Highway 101, and Chesterfield Drive**, just north of the San Elijo Lagoon in Cardiff-by-the-Sea, can expect intermittent daytime construction noise from Monday, June 24, through Friday, June 28, from 7 a.m. – 5 p.m. for revegetation and site clean-up.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses near **San Elijo Avenue**, between **Chesterfield Drive** and **Santa Fe Drive** in Cardiff-by-the-Sea, can expect intermittent daytime construction from Monday, June 24, through Friday, June 28, from 7 a.m. – 5 p.m., for revegetation and site clean-up on the Coastal Rail Trail bikeway.
- Motorists and businesses along **Coast Highway 101**, between the San Elijo Lagoon inlet and southern end of the San Elijo Lagoon west basin in Cardiff-by-the-Sea can expect intermittent daytime construction noise, narrowed lanes, and/or controlled traffic flagging operations from Monday, June 24, through Friday, June 28, from 7 a.m. – 5 p.m. for rock slope protection work along the west basin as part of the San Elijo Lagoon Restoration Project.
- Eastbound motorists on **Manchester Avenue** near the southbound I-5 on/off ramps may experience delays on Tuesday, June 25, and Wednesday, June 26, between the hours of 4 a.m. – 6 a.m. for dredge demobilizing, loading, and shipping out of the San Elijo Lagoon.
- Businesses on **Coast Highway 101** between the San Elijo Lagoon inlet and southern end of the San Elijo Lagoon west basin in Cardiff-by-the-Sea can expect daytime construction noise from ongoing revetment operations from Monday, June 24, through Friday, June 28, from 7 a.m. – 5 p.m., as part of the San Elijo Lagoon Restoration Project.
