

# SR 76 East Segment Project

## Construction Advisory #37

### Expect Delays Tuesday, February 23: Old Highway 395 and SR 76 Intersection

Caltrans will close SR 76 at the intersection of Old Highway 395 for approximately one hour at 10 a.m. on Tuesday, February 23, so crews can conduct minor rock blasting work to improve the highway.

During the blasting activity, Caltrans will establish a safety perimeter at Old Highway 395.

The blasting will create a brief but loud sound and vibrations in the area. Please plan your travel accordingly.

The blasting schedule is subject to change due to weather conditions.
