

SR 76 East Segment Project Construction Advisory #42

Temporary Road Closure May 10 - May 24: Via Monserate at SR 76

Via Monserate at SR 76 will be closed for two weeks starting Tuesday, May 10, and will reopen to traffic on May 25. This closure will allow crews to conduct sewer line and asphalt-paving work on Via Monserate.

To access Via Monserate during this time, please use the Ramona Drive detour shown on the map. Motorists are urged to budget extra time for their commute.

This schedule is subject to change due to weather conditions. We appreciate your patience as we complete improvements.

This work on the SR 76 East Segment is the last in a series of transportation improvements in the corridor, funded in part by the [TransNet](#) regional half-cent sales tax.
