

SR 76 East Segment Project Construction Advisory #27

Night Closures Scheduled For January 8, 12, 13, and 14 SR 76 from South Mission Road to Ramona Drive

Please be advised that SR 76 will be closed four nights between South Mission Road and Ramona Drive on January 8, 12, 13, and 14. Each of these nights, the closure will begin at 9 p.m. and end the next morning at 5 a.m. During this closure, crews will remove trees that are in conflict with the relocation of SDG&E utilities. Detours and signage will be in place as noted below in the detour map.

Special Instructions for Sweetgrass Lane/Court Residents:

Traffic passes were delivered to all residences on 1/5/15. For access to your home between the hours of 9 p.m. and 5 a.m. during the highway closures, please show your pass to the traffic control personnel stationed at South Mission Road. If traveling west on SR 76, use the Ramona Drive detour to get to South Mission Road. To request extra passes, please contact the SR 76 construction office at (760) 639-4430 or stop by 3485 East Vista Way, Vista, 92084.

The project team appreciates your patience during this construction activity. This work is part of the final segment in a series of three improvement projects on the SR 76 corridor, located between I-5 and I-15. Stretching 5.2 miles from South Mission Road to I-15, the SR 76 East Segment serves both local and regional traffic.

How to Stay Informed

Save yourself time and be prepared. Call or visit us online to learn about your travel options and plan your commute during construction.
