

SR 76 East Segment Project Construction Advisory #34

Temporary Closure:

Old Highway 395 and Park & Ride Lot

Caltrans will close SR 76 at the intersection of Old Highway 395 for approximately one hour at 1 p.m. on Wednesday, January 27, so crews can conduct minor rock blasting work to improve the highway.

- During the blasting activity, Caltrans will establish a safety perimeter at Old Highway 395.
- Crews will also close the Park & Ride lot to cars on January 27, and will reopen the lot after blasting operations are completed.
- During the closure, Park & Ride users should park in the adjacent temporary lot and take the shuttle to the regular bus stop location (see map).

The blasting will create a brief but loud sound and vibrations in the area. Please be aware of this scheduled activity and plan your travel accordingly.

The blasting schedule is subject to change due to local weather conditions.
