

# SR-76 Middle Project Construction Advisory #6

## Work Activities at Camino Del Rey

This construction advisory is about work activities at Camino Del Rey and SR-76. Please note that you may experience delays and noise within this work area.

### Nightwork - Noise Alert

Nightwork adjacent to SR-76 in the area near Camino Del Rey and Olive Hill Road will continue tonight through Friday, April 20th from the hours of 7 p.m. - 7 a.m. This work may be noisy as solid rock has been encountered and could require rock hammering to excavate for trenches needed for the installation of drainage systems.

### Weekend Closure and Detour

The access from Camino Del Rey to SR-76 will be temporarily closed this weekend from Friday, April 20th at 9 p.m. to Monday, April 23rd at 5 a.m. During this closure, work will be done to tie-in Camino Del Rey to the new pavement section of SR-76 and to pull overhead utility lines across the highway. Those traveling from Camino Del Rey to access SR-76 will need to detour on Old River Road for access to SR-76.
