

COMMITTEE / WORKING GROUP CHARTER
Uptown Regional Bike Corridor Project Community Advisory Group

PURPOSE

The purpose of the project community advisory group is to support the development and evaluation of initial design concepts for the Uptown Regional Bike Corridor Project.

LINE OF REPORTING

The advisory group will provide advice to SANDAG staff.

RESPONSIBILITIES

The advisory group will provide advice on the development of design alternatives and serve as a forum for community input to the project.

MEMBERSHIP

The advisory group will consist of representatives of established community groups within the project area as nominated by the community groups. Meetings will be open to the general public and will include public comment opportunities.

MEETING TIME AND LOCATION

The advisory group will meet approximately every three months at key points of the preliminary design phase, beginning in the fall of 2012 through the summer of 2013. General public workshops will also be scheduled during the project preliminary design phase. The advisory group will meet at a time and in a venue within the project area. SANDAG staff will chair and facilitate the meetings with the support of the project team.

DURATION OF EXISTENCE

The advisory group will meet through the preliminary design process for guiding preferred alternatives for the project.
