

Interstate 805

July 2013

Construction Advisory I-805 Closure: August 18-19

Interstate 805 (I-805) will be closed in both directions between State Route 54 and State Route 905 on Sunday, Aug. 18 at 3 p.m. through Monday, Aug. 19 at 5 a.m. During this time, crews will demolish and remove the East Palomar Street Bridge over I-805 to make way for a Direct Access Ramp (DAR). The DAR will offer a convenient location from which carpools, vanpools and buses can access the carpool lanes currently under construction on I-805. The DAR is expected to be completed in winter 2014. Caltrans, SANDAG, and public safety officials would like to urge all motorists to steer clear of the area or take alternative routes during the closure to avoid potentially significant congestion. For details, including exact closure locations and alternative route maps, please visit KeepSanDiegoMoving.com/steerclear or call the I-805 South Project Construction Hotline at (888) 941-5005.
